Association Update

For those of you who have lived in the neighborhood for more than a few years will recall a common fixture - Caleb Jeffries. Caleb now lives in Wilmington with his mom, but I still have a vivid memory of him pushing his mower through the neighborhood, cigar in his mouth, and his dog at his side. He was the go-to person if you needed your lawn mowed, your dog walked, or many other miscellaneous jobs to be done. Though Caleb has moved on, we want to reach out to him and let him know we appreciate the positive impact he had on the neighborhood. Therefore we have put together a Certificate of Appreciation that we are going to mail to Caleb in Wilmington. We will be collecting signatures for the certificate at our meeting on Thursday, September 19th, so please stop by (Project Enlightenment, 7pm) - even if you can't attend the whole meeting.

But there's another great reason to attend this month's meeting -- Tania Tully from the City Planning department in the City of Raleigh will be joining us to discuss the Raleigh Historic Development Commission. With the new UDO in effect, there will be a few changes to the application and notification requirements for Certificates of Appropriateness (COA). She will be providing a brief COA presentation and explanation of the new changes and the implications.

Big Boylan Bash Sponsors

Thomas Crowder
Raleigh City Council
District D

I want to welcome Tom and Nancy Benninger to the Boylan Heights Association board as our new at-large directors. Through their respective roles as webmaster and newsletter editor they have been very engaged in the activities of the association and frequent attendees of our board meetings. So per the Association by-laws we made it official and approved them in as voting directors of the board. We really appreciate all their contributions to the association and neighborhood.

The Big Boylan Bash Recap

Franklin Haignere

For the second straight year we were graced with some refreshingly mild August weather for the Big Boylan Bash. Overall, this was a successful fundraising event with a profit of about \$1600 that the neighborhood can use for other events and charities.

Many thanks go out to our neighbors who attended the event and contributed money and potluck items, our volunteers who planned and ran the event (and did an amazing and quick job of cleaning up!), our cash and in-kind sponsors, and the bands who donated their time and talents.

Helen Wright Center for Women

We need groups of volunteers on the 3rd Sunday of every month to help serve breakfast at the women's shelter. Reimbursement for breakfast expenses is available.

September 15th – Cliff Webster

October 20th – Nancy and Tom Benninger

November 17th – volunteers needed!
