Association Update

Happy July, everyone! I hope you all enjoyed a fun and relaxing Independence Day.

For those of you who were unable to attend last month's Association meeting I want to announce that we have a new treasurer - Corny Motsinger. She fills the very big shoes of Leslie Kellenberger who is stepping down after 23 years. Although she refused to sign her own 23-year contract, we know that Corny will do a great job in this role and be a valuable addition to the Association Board. Corny and her husband Mike - who recently took over as the Neighborhood Watch leader - moved to the neighborhood last fall and quickly became active participants in the Association.

I am also pleased to announce that this fall we will be planting a tree in the neighborhood in honor of Leslie's long-standing efforts and commitment to the neighborhood. I'll provide more information on this later this year.

This month the Association is taking a vacation from our monthly meeting, so we'll see you in August!

Thanks,
Steve Bryan

National Night Out 2013 Neighborhood Walk and Ice Cream Social

Dear neighbors,

on **Tuesday, August 6, 2013, at 7pm**, Boylan Heights will join 15,000 other communities across America to celebrate National Night Out.

This event raises awareness about crime prevention activities like our neighborhood watch, and encourages everybody to get to know their neighborhood and their neighbors better.

We will start with a walk through our neighborhood; we've mapped out a route that is just over a mile long but still touches every single street in our neighborhood. We will start out as a tiny group and pick up neighbors as we pass their houses; once we've completed our loop, we will have an ice cream social and time to meet neighbors we don't yet know. After the event, we walk home along the same route as we came. Dogs and Strollers are welcome, too!

Also, during the ice cream social, we will draw a random winner from all house in the neighborhood who display our neighborhood watch sign on their home. So make sure your sign is up and visible!

Please visit <http://boylanheights.org/national-night-out-2013/> and RSVP so we can get an accurate number for ice cream.

Contact neighborhoodwatch@boylanheights.org for questions; more details will be posted to the website and listserv in the coming weeks.

If you can't make it, please consider leaving your porch light on that night to show your solidarity.

Neighborhood Watch

I am Mike Motsinger, a recent resident of Boylan Heights and the new Neighborhood Watch Coordinator. My wife Corny and I are pleased to be here, and want to do our part to encourage safety and security in the area. One simple way to show our solidarity is to display the familiar Community Watch signs. During the month of July we will offer free installation of a new or existing sign on your property. Just give me a call for this service at 919-800-9784. I

have a supply of signs available for \$12 each. In August we will have a special drawing among all households displaying the Community Watch sign. A stunning prize will be given.

On an ongoing basis, if there is any way I can help you with a safety or security question, just call me at the above number or e-mail us at: neighborhoodwatch@boylanheights.org. For emergency assistance or to report suspicious activity please call 911. No matter is too small to report.
