COMMUNITY SERVICE PROJECTS
FUNDING REQUEST FORM 2013**

The Boylan Heights Neighborhood Association provides funding to community service projects which have a connection to the Boylan Heights Neighborhood and the immediate surrounding area. Services can be provided in or near the neighborhood. Each fiscal year, the Association agrees on a dollar amount of funding as part of its budget approval process (\$1,000 for 2013). Once an application is received, the Association Executive Committee reviews it for approval. The review process is reported out as a standing agenda item at the monthly neighborhood meeting.
